

In response, Applicant has amended new Claim 9 in compliance with the requirement. As required by the Notice of Non-Compliant Amendment, Applicant submits a new claim section to replace the claim section included in the Applicant's amendment filed June 22, 2010.

In view of the Applicant's amendment and discussion, Applicant believes that the amended claims are in condition for allowance. If it is believed that a further interview will expedite prosecution, the Examiner is invited to contact Applicants' agent Adrian M. Kaplan at Heenan Blaikie LLP, at (416) 643-6972, at her convenience.

Respectfully submitted,
